

Vinay Daharwal

Python FastAPI & React Developer

Remote | GitHub: <https://github.com/hiiamvinay>

PROFESSIONAL SUMMARY

Backend and full-stack software engineer with demonstrated experience designing and implementing **RESTful APIs using FastAPI and Flask** and building modern user interfaces with **React**. Emphasizes secure, scalable architectures, rigorous code quality, and effective collaboration within **distributed, Git-based teams** to deliver production-grade solutions.

TECHNICAL SKILLS

Backend: Python, FastAPI, Flask, REST APIs, SQL

Frontend: React.js, JavaScript, HTML, CSS

Databases: MySQL, SQLite

Tools: Git, GitHub, Linux, Bash, Postman

Core CS: Data Structures, Operating Systems, Computer Networks

PROJECTS

AI-Powered Web Application — *Emotion-Aware AI Companion (Ashna)*

Python, Flask, React, Groq AI (LLaMA-3.3-70B)

- Engineered an emotion-aware AI chat companion powered by **Groq's LLaMA-3.3-70B** model
- Architected RESTful APIs for real-time conversational inference and emotion analysis
- Implemented a modern, responsive React chat interface for seamless user interaction
- Integrated Groq APIs to enable ultra-low-latency, high-quality AI responses
- Optimized backend performance and implemented secure API access controls

E-Shop — Full-Stack E-Commerce Platform

Python, Flask, React, MySQL

- Delivered a comprehensive e-commerce system with product browsing, cart management, checkout, and order processing
- Implemented RESTful APIs for user management, product catalogs, carts, and order processing
- Implemented **OTP-based user authentication** with email verification

- Developed a modern React (Vite) frontend for a smooth shopping experience
 - Used **React Context API** for global state management
 - Integrated MySQL database for reliable and secure data storage
 - Employed GitHub for version control and remote collaboration
-

EDUCATION

B.Tech in Computer Science Engineering

JK Lakshmipat University — Approx. 8.0 CGPA

ACHIEVEMENTS

- Qualified JEE Advanced
 - Qualified GATE CSE (AIR 8192)
-
